Re: Public Records Act Requests received April 27, 2015

Dear Mr. Lutz:

Attached are the documents the City is providing in response to your request of the above date made pursuant to the California Public Records Act ("CPRA") California Government Code Section 6250 et seq. You requested any documents related to complaints against police officers.

Descriptions of the documents provided were set out in our determination letter of May 18, 2015. Please refer to that document for specific details regarding the documents being disclosed.

As noted in our May 18 letter, any subsequent request for specific records related to claims recorded in the City Manager's summary will be considered new requests and records responsive to those requests will be evaluated individually to determine whether such records are subject to exemptions, exclusions or privileges at the time the request is made.

If you have any questions, please contact this office at (619) 441-1798. Thank you.

Very truly yours,

Barbara C. Luck
